The above 5 items of work can be tendered induvidually or collectively. The final decision of allotment of the work either individually or collectively vests with the competent authority to dispose of the tenders.

Intending tenderers should preferably have previous experience of work of similar nature and magnitude and should preferably be on the approved list of the State P.W.D., C.P.W.D., Railways or other Government and Quasi-Government Departments. Foreign Firms as well as Indian Firms having foreign collaboration and capable of executing the above items of work are also eligible to tender. Intending tenderers are requested to study forthwith the site conditions and relevant information available in the Office of the Chief Engineer, Bangalore Water Supply and Sewerage Board, M.G.I.D. Building Annexe Bangalore with immediate effect. Detailed tender documents including specifications, drawings, etc., will be issue from the Office of the Chief Engineer. B.W.S.S.B. with effect from 9th April 1969, and will be returnable to the Office of the Chief Engineer, Bangalore Water Supply and Sewarage Board, by 9th July 1969.

The E.M.D. to be paid along with the tender will be 1 per cent of the estimated cost of the work deposited in cash in favour of the Chairman, Bangalore Water Supply and Sewerage Board in the State Bank of Mysore, Vidhana Veedhi, Bangalore-1, or in the form of Bank Draft in favour of the Chairman, Bangalore Water Supply and Sewerage Board.

It is open to intending tenderers to submit their alternative designs conforming to the general specifications, materials, working heads and capacities etc., mentioned above.

The job involves procurement of materials and fabrication equipment, fabrication of pipes, excavation, laying of pipes and jointing of pipes including providing and fitting all types of valves and specials etc., as per drawings.

Intending tenderers should also specify minimum foreign exchange requirements if any for the various items of work including special terms of collaborations if any etc.

P713 ....., *Chief Engineer.*
